

There is no better time to join the Mornington Peninsula Motorcycle Club than today.

You are welcome to join us on one of our rides to share the fun, camaraderie and pure thrills of motorcycling at it's best.

All our rides are graded so riders can be sure to join a ride suitable for their respective riding experience - from new riders to intermediate and advanced.

For more information please go to the [Membership & Info](#) page for contact details. Feel free to look at the other pages for our upcoming rides and events and contact us, if you have any

Please mark your payment with your name.

The MPMC prides itself in the fact that all of our rides are well planned and mapped out to the finest detail. All rest, fuel, food and toilet stops are determined in the very early stages of the planning of a ride .We try to appreciate the time and effort that all of our ride leaders put in, by letting them know asap that we/you may be intending to go along on a particular ride.

Please check out the website for a date of a ride that may suit you and please phone the ride leader. We would like to know a little about yourself as well.
